Summer at St. Luke's  
2012

## My Favorite Things

### SESSION DESCRIPTIONS & DATES

Join us for a summer of fun and discovery with a few of our favorite things. We will dance and sing the summer away, parade through the school with our favorite teddy bears, cuddle some animal babies, splash and explore the many properties of water, and chugga chugga choo choo—all aboard for things that go! Your two year old will play and learn much more about the things he loves.

#### 1. May 29 - June 8 Animal Babies

From cuddly kittens to happy hippos, animal babies get our attention! We will build on new vocabulary, sensory activities, and your two year old's expanding ability to use nurturing skills as we learn more about babies in the wild...and not so wild.

#### 2. June 18 - June 29 Splish Splash!

What is summer without water? Children will enjoy the sensory experiences of pouring and splashing in water, bathing baby dolls, painting on the sidewalk with water. And watch how water changes into ice! Brrr!

#### 3. July 2 - July 13 Teddy Bears on Parade

(No camp Wednesday, 7/4)

What could be more patriotic than a parade? And what is more delightful than a Teddy Bear. We'll put them together to begin a session full of songs, stories, and pretend play. Add a Teddy Bear picnic and we are in Teddy heaven!

#### 4. July 16 - July 27 Things that Go!

All aboard! Whether it is the Little Engine that Could, Thomas the Train, or the family sedan, all children love things that go. We'll go faster and faster, build ramps for racing, and learn what made that sound as we explore our favorite means of transportation!

#### 5. July 30 - Aug. 10 Singing and Dancing

Moving and playing active games involves the whole child. We'll explore ways to move and groove with music, adding new songs and singing some of our old favorites, as well! Children are naturally rhythmic and we will encourage the musician in all of them to blossom.
