SESSION DESCRIPTIONS & DATES

Come aboard for a great ocean adventure! We will investigate sea creatures in warm waters as well as cold, explore sailing ships, discover beach treasures and let our imaginations travel through the deep blue sea, home to both mermaids and pirates. We'll discover scientific wonders and incorporate our love of math and literacy into a rich palate of adventure, learning and fun as we take an amazing voyage in the sea.

1. May 29 - June 8 Dive Under the Ocean

Dolphin, dolphin, in the sea, swimming ever wild and free. What interesting creatures will we meet as we dive in the ocean deep?

2. June 18 - June 29 The Polar Seas

Penguins and polar bears, icebergs, seals and walrus...what else will find in the cold polar regions?

3. July 2 - July 13 Mermaids, Pirates & Treasures (No camp Wednesday, 7/4)

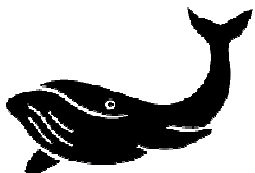

The sea inspires wonderful tales of mermaids and pirates and their grand adventures. Let's pretend to find buried treasure and join them in the fun! X marks the spot!

4. July 16 - July 27 Ships and Sails

Busy boats, sailing ships and things that float will capture our attention this session. Take us away to fanciful ports of call!

5. July 30 - Aug. 10 Beach Party

Come play with us as we explore the wonders of the beach. Sand and shells, water and waves, music and dancing...surf's up!
